The mission of CASA Children's Intervention Services (CASA CIS) is to ensure that every child has a safe, permanent, loving home and to have a world where every abused and neglected child is given the opportunity to thrive in that safe loving home.

CASA CHILDREN'S
INTERVENTION SERVICES, INC.

A LETTER FROM OUR EXECUTIVE DIRECTOR

Dear Friends,

On behalf of our Board, staff, advocate volunteers, and supporters, we are honored to report good stewardship of our funding allocations in 2022. We are proud and humbled to be able to provide the necessary service that the abused and neglected children in Prince William, Fauquier, Rappahannock, and Warren Counties so desperately need. This is all thanks to our amazing community of supporters like you.

As a 501c3 organization, we exist to serve our CASA children and to provide the voice they desperately need. By being the one voice, a child can rely upon, we are by their side from the beginning to the conclusion of their case. Because of our amazing community who have come forward to volunteer, donate, and connect, we were able to achieve these great things together.

Thank you for being the difference in the life of our CASA children. It is a pleasure to serve alongside you.

Beyond grateful,

Linda Kreig

Our volunteers are the heart of our program. Each one of our volunteers who advocate for the children we serve must have a supervisor supporting them and their work. Our team of five supervisors also supports the program with marketing, outreach and training.

2022 PARTNERS

Your support this year has given our team the ability to provide help and hope to our CASA children. We help our children receive the mental, emotional, and physical assistance they need.
