A LETTER FROM OUR EXECUTIVE DIRECTOR

Dear Friends,

We are truly grateful for the support that generous donors like you provide to our organization. Without you we would not be able to execute our mission.

The work we do is difficult and requires tenacity, resilience, and a passion to help children. As we approach our 30th year, we remain steadfast in our commitment to ensure our CASA children will thrive in a safe and loving home.

Our volunteer advocates are the heartbeat of our organization and are making futures bright for the children they serve. This year they dedicated 4,745 hours of their time and traveled 24,725 miles to visit their CASA children. Because of our advocates, 280 children had a CASA to give them a voice and let them know they are not alone.

Your dedication to our cause has brought hope to children who have faced unimaginable challenges due to abuse and neglect. Together, we continue to lift our children up and keep them safe. Together we Change a Child's Story and for that, we thank you.

With our deepest gratitude,

Linda Krieg

Thank you
