This year's Impact Award recipient is none other than our very own CASA Board of Trustees Treasurer, John Frisch of **Savant Wealth Management!**

He has truly been such a blessing to us, offering unwavering support and dedication that have helped us grow and thrive. We are thrilled to spend the evening celebrating and honoring him!

Recent Community Support

We are deeply grateful to the **UVA Health Foundation** for awarding us a grant to support the mental health and well-being of our staff and volunteers. This investment recognizes that caring for others starts with caring for ourselves, and it will make a meaningful difference in ensuring our team has the support they need to continue serving our community with strength and passion.

Thank you to the **City of Manassas** for awarding us a generous grant to support our work in the community. This grant gives us the ability to respond to needs as they arise and strengthens our capacity to serve the community in meaningful and timely ways.

We were honored to be chosen as a recipient of the **Prince William County Community Partners** grant and received the first of two installments in July. This funding will allow us to continue growing alongside our community and we're excited for the opportunities the award will make possible!

A very special thank you to **V2 Systems** owner Erik Briceno and his daughter, Bay, who have been helping to collect auction items for our upcoming Evening Under the Stars gala. We are honored they'll be attending the event!

V2

Big thanks to the amazing Helena Zenyuh and Heart Full Boxes for donating 12 adorable art kits for our CASA kiddos! Helena, a young volunteer with a heart as full as her boxes, created these kits to spread a little joy while completing her service hours and we are so here for it! Each kit is thoughtfully designed for different ages and interests, ensuring there's something creative and fun for every child. Thank you, Helena, for reminding us that you're never too young to make a difference!

Mission in Motion

The mist didn't stop the magic...but next year, we might need a more waterproof tent! CASA showed up and showed out at the **Warrenton Town Limits Festival**, spreading the word about advocacy, handing out cookies, and soaking in all the fun with our amazing community.

Bounce houses, fireworks, local vendors, and nonstop smiles - it was a night to remember! Thanks to everyone who stopped by the tent to learn more, chat with us, and light up the night.

This month, CASA brought the coffee and some conversation as the proud Coffee Sponsor at **1 Million Cups**! Our Executive Director, Linda, had the chance to share who we are, what we do, and why our mission matters - all while getting folks excited about our upcoming Evening Under the Stars Gala on Saturday, September 13th!

On August 22, we held our 4th Annual Porters for a Purpose

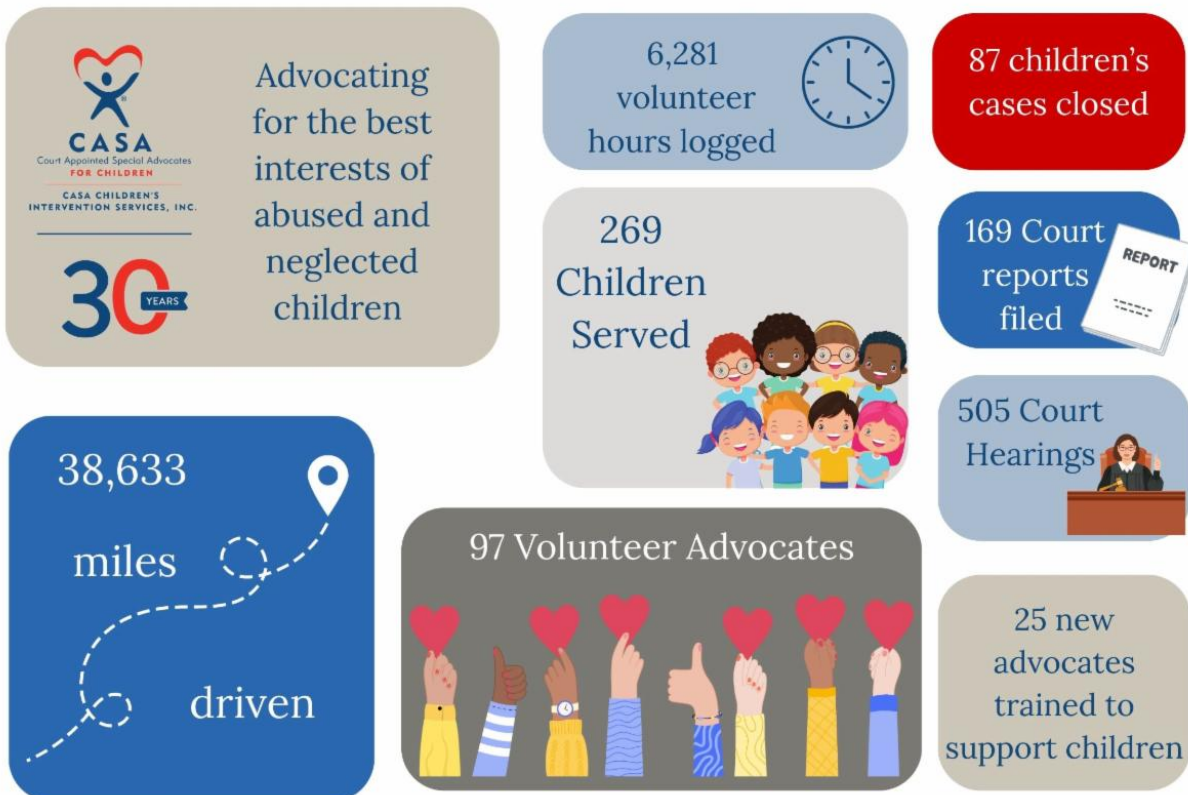

fundraiser at **Sinistral Brewing Company!** Every year, **Loveless Porter Architects** challenges **The Irving Law Firm** in a frothy face-off to benefit CASA CIS. The quickest beer to sell out **WINS!** This year, our winning beer was the Camryn's Poker Faced Porter, which sold out in under two hours. Thank you to all who came out to support us!

A Fond Farewell to Our Intern

In August, we said goodbye to our amazing intern, Alyssa. From diving into the details of casework, to shadowing the supervisors in court, she was eager to learn and always ready to jump in. On top of that, Alyssa played a huge role in pulling together auction items for our upcoming Evening Under the Stars gala. We're so grateful for her energy, curiosity, and hard work, and we can't wait to see all the great things she'll do next!

Thank you for taking the time to read our newsletter. Please share with others!
